

## Person Centred Dementia Care, National Course: Alberta 2016

Dr David Sheard from the UK, for the first time, brings to Canada this opportunity to undertake our 12 module course on the Butterfly Approach

### A 12-day Course Merging Person-Centred Care and Culture Change

**Course Title:**  
***“An Emotional Journey”***

*“ This course has been the best training that I have ever done in my 26 years of working with older people. ”*

This course is recognised in the UK by the School of Health and Social Care, University of Surrey

**Venue: Edmonton, Alberta**  
**April 2016 – November 2016**

3 x 4 day blocks – split 2 days either side of a weekend in April; July; November.  
Full course dates @ [www.dementiacarematters.com](http://www.dementiacarematters.com)

**\$1,950 CAD for one place attending 12 Workshops**

**Discount available for group bookings**

#### **Includes:**

- Dementia Care Matters 600 page invaluable participant online manual
- a copy of *Achieving real outcomes in dementia care homes*
- a copy of *“Inspiring: leadership matters in dementia care”* & *Resources Membership* for 1 year providing access to Dementia Care Matters large directory of resources.

**Dementia Care Matters is a world leader in the development of Culture Change in Dementia Care.**

*“David’s beliefs, values, boundless energy and passion have driven changes that too many were only a dream. His herculean effort has revolutionised the culture of care nationally and internationally.”*

(Judging panel 16<sup>th</sup> National Care Awards 2014)

**UK Care Personality of the Year 2014**

**Three Butterfly Supportive Living/Continuing Care Demonstration Homes are already being developed in Alberta.**

**This leading edge course coming from the UK enables individual staff from a wide range of disciplines and care services to join a ground-breaking course which will transform people’s lives who are living and working together.**

***Peter is the most experienced member of Dementia Care Matters working alongside David since the first Butterfly Care Home began in 1995 – Peter is known for his expert training skills with a calm and reflective style.***

## Key Features

This course gets to the essence of **Feelings Matter Most** and the **Butterfly Approach**.

A flexible practice-based learning opportunity.

- Designed for Directors, Managers, Nurses, and Senior Care Workers working with people living with a dementia who wish to positively focus their work.
- Focused on achieving skills and culture change in care homes.
- Addresses the complex and challenging issues within the field of dementia care.
- Twelve days attended workshops across April, July and November 2016.
- Three optional written assignments offering UK University recognition.
- Invaluable 600 page participant online manual.

## Benefits:

- Spend time with Dr David Sheard really learning why dementia care matters so much emotionally and practically to him.
- Learn from David after his 35 years what really works in transforming dementia care.
- Hear directly from the two original course facilitators David and Peter what the very best in dementia care over the last 20 years looks, sounds and feels like and what it takes to achieve this.
- Experience this training: really benefitting from the balance between David's direct, emotional and passionate style with Peter's reflective, thoughtful and very caring approach.
- Return to work after these sessions fired up and inspired with the emotional drive to really know how to change things.

## 12 workshops over 3 x 4 day blocks

Split 2 days either side of a weekend in  
April • July • November

This course is focused on achieving skills and culture change in care homes. Participants from other services are welcome and they will need to be able to transfer the course manual into their own work role.

## Content:

- Key steps in achieving culture change in dementia care homes.
- The essence of the Butterfly Household™ Model of Dementia Care.
- The method of qualitative observations of peoples' lived experience and quality of interactions.
- Ways for staff to adopt the Butterfly Care Home approach and knowing how to be a Butterfly.
- Training on emotional intelligence as the primary competency in dementia care.
- Attached leadership skills in dementia care.
- The 'Look ' Checklist to improve the environment.
- The Model of Care - 'The Inspiring 50 Point Action Checklist. '
- The real meaning behind and how to reach people's emotions and expressions of 'behaviour. '
- The language of a person living with a dementia and how to develop your feeling based communication skills.
- Skilled approaches in safeguarding balanced with a human rights approach to sexuality, intimacy, relationships and assessing consent.
- Specialist approaches in later stage dementia care.
