NEW NURSE ACADEMY & TRAINING PROGRAMME FOR STAFF

RBLI TO PROVIDE TRAINING TO HELP EVERYONE WITH
DEMENTIA SYMPTOMS AND THEIR FAMILIES

Royal British Legion Industries will be providing specialised dementia training to our nursing and care staff village-wide to help tackle dementia and support residents with dementia as well as their families.

The programme will be delivered by world-renowned trainers from Dementia Care Matters and is supported by the Aged Veterans Fund, funded by the Chancellor. The programme will see all of those who care for elderly veterans, and others, on the RBLI village receive year-long dementia care training. There is also the opportunity to receive university-standard tuition.
