## ...together

The Salvation Army Aged Care Plus were selected to pilot the 'Butterfly Household Care Model' by the UK's Dementia Care Matters. Join us to hear more about this internationally recognised model and its Australian implementation from Aged Care Plus Chief Executive Officer, Sharon Callister, and Dementia Care Matters CEO and Founder, Dr David Sheard.

Aged Care **Plus**

The model has achieved international success in the UK, Canada and Ireland and we look forward to its introduction at The Salvation Army Aged Care Plus in QLD and the ACT to enhance our award-winning person-centred care framework.
